

# CONSIDERATIONS

## Culture

- Be **intentional** and **aware** of other cultures and your culture.
- Don't make **assumptions**.
- Be aware of **your own biases**.

## Supports

- Gain an **understanding** of their **support system**.
- Learn about their **needs**.
- Discuss this **frequently**, their supports/needs may change.

STOP

Don't make **assumptions**, ask questions such as:

“ What do you value? ”

“ Who/what are priorities in your life? ”

“ What is important to your family and friends? ”

“ What do you want from services? ”

“ Who are important people in your life? ”

“ Who do you reach out to when you need something/help? ”

“ Do you want them involved? If yes, how so? ”

“ Where do you live? Do you feel safe there? ”

“ Do you have enough to eat? ”

“ How do you get around? ”
